### GREEN TEA GIMLET

Green Tea Gimlet GUILDER'S GIN

“Our Green Tea Gimlet features Guilder’s Gin Green Tea, which captures high-quality, tournament-grade tea at its flavor peak. The key ingredient really reimagines this simple, classic cocktail. The notes of lemongrass in the gin plays well with the refreshing lime undertone in the gimlet.” —*Songrae Choi, lead bartender Seoul Salon (New York, NY)*
